\$100,000 EXTRA win in Saskatoon!

When Danny Grimley stopped for fuel, he ended up filling his bank account too. The Saskatoon resident bought a LOTTO 6/49 ticket and won \$100,000 on the May 11 EXTRA draw.

“I had a few tickets to check, so I just started scanning them on the self-checker,” he said. “When I scanned the winning ticket, I thought, ‘Could that be right?!’”

“I had to check the ticket on the app a little while later to make sure I was seeing it right,” he continued. “I couldn’t believe it!”

The happy winner doesn’t have any definite plans for his winnings yet.

“I haven’t thought about it too much yet, but I would like to take a holiday this winter,” he said. “Other than that, I just want to put the money in the bank.”

Grimley purchased his winning ticket at Fas Gas Plus, located at #1-415 Circle Drive East in Saskatoon. He won his prize by matching the last six digits of the add-on game’s winning number – 6933806.
