LOTTO MAX CHANGES COMING MAY 2019

*Jackpots to grow as high as \$70 million
New Tuesday draw being added*

LOTTO MAX, Canada's biggest lottery game, will soon have lottery players dreaming even bigger. For the first time ever in **LOTTO MAX** history, the main jackpot will be able to grow as high as \$70 million – an amount no Canadian lottery has ever reached before.

Beginning May 11, 2019, customers will be able to play **LOTTO MAX** every Tuesday in addition to the regular Friday draw. The new second draw every week means lottery players will see jackpots grow more quickly than ever before.

When **LOTTO MAX** was introduced in 2009, a lottery game that offered multiple \$50 million jackpots a year was unheard of in Canada. Then in 2015, the jackpot cap increased to \$60 million offering players an even bigger jackpot experience.

With the new **LOTTO MAX** gearing up to increase the main jackpot cap to \$70 million, opportunities to become a millionaire with MAXMILLIONS will continue when the jackpot reaches and exceeds \$50 million.

The new **LOTTO MAX** enhancements follow an extensive game design process that included consultation with lottery players across the country.

Sales for the new **LOTTO MAX** start Saturday, May 11, 2019, with the first draw on Tuesday, May 14, 2019 and the second draw on Friday, May 17, 2019
