TWO NEW LOTTERY MILLIONAIRES IN SASKATCHEWAN THIS WEEKEND!

It could be the beginning of a very exciting week for the owners of two winning lottery tickets in Saskatchewan. Two tickets sold in the province won a million dollars or more on Saturday, October 19.

A ticket issued in Saskatchewan, not in either Saskatoon or Regina, was the only winner of the \$2 million WESTERN 649 jackpot that evening. The winning ticket matched all six of the main winning numbers drawn – 3, 10, 14, 42, 44, and 49.

And on the same night, a ticket sold in Saskatoon won the guaranteed \$1 million prize on the national LOTTO 6/49 game. That ticket exactly matched the winning guaranteed prize selection to win – 25911293-01.

The winners of both these prizes have one year from the winning draw date to claim the prize. The winners can contact WCLC Customer Care at 1-800-665-3313 for information on how to claim their prizes.

So far in 2019, nine prizes of \$1 million or more have been paid to Saskatchewan residents. The winners so far this year have hailed from Creighton, Drake, Fort Qu’Appelle, Herschel, Regina, Saskatoon, and Strasbourg.

Saskatchewan Lotteries is the fundraiser for more than 12,000 sport, culture, recreation and community groups. Learn about games, jackpots, winning numbers, and more, at www.sasklotteries.ca.
