## **Saskatoon resident wins \$248,296.10 on LOTTO MAX!**

Duc Tran was shocked when she checked her LOTTO MAX ticket and discovered she'd won \$248,296.10 on the November 23, 2018 draw. She was so shocked, in fact, it would take the Saskatoon resident 10 months to claim her prize.

"I checked my ticket when I was at the grocery store," she said. "I had to scan my ticket a few times because I couldn't believe what I was seeing."

"I was in such disbelief, I just put my ticket in my wallet and went home," she continued. "I knew that I won, but part of me didn't believe it, so I held off on claiming my prize."

"I kept checking it every once in a while to be sure it was still there," she added.

Now that she has her winnings, she said she plans to share her winnings with her family and save for her retirement.

She added that she would like to donate some of her windfall to her temple and to help the less fortunate.

"That will make me feel really good," she said.

Tran purchased her \$11 LOTTO MAX ticket at Co-op Avenue C Gas Bar, located at 311 Circle Drive SW in Saskatoon. She won her prize by matching six out of the seven main draw numbers and the bonus number. The winning LOTTO MAX numbers on November 23, 2018 were 1, 7, 13, 14, 22, 42 and 48. The bonus number was 47.
