

KENO GAME CONDITIONS AND PRIZE STRUCTURE STATEMENT

1. RULES AND REGULATIONS

KENO is governed by the Rules and Regulations Respecting Lotteries and Gaming of Western Canada Lottery Corporation (WCLC) WHICH INCLUDE LIMITATIONS OF LIABILITY AND ARE AVAILABLE FROM WCLC UPON REQUEST.

2. ISSUANCE OF TICKETS

To participate, a person must present a completed KENO selection slip, selecting either the NUMBERS the player wishes to play or Quick Pick (where all selections are computer generated) and the number of DRAWS that the player wishes to participate in and pay the authorized retailer a \$1, \$2, \$5, or \$10 wager for each complete selection of NUMBERS per DRAW. If no wager is selected, the wager will be \$1. From 1 to 10 NUMBERS may be played for each DRAW. A ticket will be issued showing the date the ticket was issued, the selection, the amount wagered for each selection, the number of DRAWS selected, a control number and other relevant information. From 1 to 99 consecutive DRAWS can be played per selection slip by marking the appropriate number(s) in the DRAWS column and paying the appropriate amount. If the player does not select the number of DRAWS that the player wishes to participate in, the wager and the NUMBERS selected will be eligible for one DRAW.

3. CANCELLATION OF TICKETS

Tickets may be cancelled by submitting them, for cancellation, to the same retailer from which they were purchased on the day that they were purchased and prior to the commencement of the second DRAW for which the ticket is eligible. If the ticket is cancelled prior to the commencement of the first DRAW for which the ticket is eligible, the player shall be entitled to a full refund of the amount wagered. If the ticket is cancelled after the commencement of the first DRAW, the ticket shall be cancelled and a substitute or replacement ticket shall be issued for the first DRAW only, and the player shall be entitled to a refund of the amount wagered on any DRAWS remaining on the cancelled ticket after the first DRAW.

4. DRAW

WCLC will conduct DRAWS from time to time at which it will cause 20 NUMBERS to be selected at random from among all NUMBERS from 1 to 80 for each DRAW. The number and frequency of DRAWS to be conducted will be determined from time to time by WCLC.

5. WINNING SELECTIONS

Winning Selections as a result of any DRAW are determined as follows:

WINNING SELECTIONS CONSIST OF

10 Pick (10 Numbers Selected)	a match of 5 or more or none of the 20 numbers drawn
9 Pick (9 Numbers Selected)	a match of 4 or more of the 20 numbers drawn

7 Pick (7 Numbers Selected)	a match of 3 or more of the 20 numbers drawn

2 Pick (2 Numbers Selected)	a match of 2 of the 20 numbers drawn
1 Pick (1 Number Selected)	a match of 1 of the 20 numbers drawn

6. WINNING TICKETS

Any valid ticket for any DRAW bearing any Winning Selection for such DRAW is a Winning Ticket and entitles its holder(s) to claim a prize, which prize shall, subject to section 8 hereof, be calculated in accordance with section 9 hereof. Only one prize per Selection may be claimed.

7. ADVANCE PLAY

If a ticket becomes a Winning Ticket and is eligible for additional DRAWS following the DRAW for which it is produced to claim a prize, the prize will be paid and a substitute or replacement ticket will be issued for the remaining outstanding DRAWS for which it is eligible and the ticket originally produced will, upon issuance of such substitute or replacement ticket, become void.

8. PRIZE LIMITATION

The maximum prize that may be won on any one ticket for any DRAW is \$100,000, regardless of the amount wagered. If two or more tickets contain 10 selected NUMBERS which match 10 of the numbers drawn in any one DRAW, then, the aggregate amount won by the holders of such tickets shall be \$200,000, which shall be shared by such holders based on the amount wagered on each ticket, provided that no ticket is eligible to win more than \$100,000.
