SASKATCHEWAN IS ON A LOTTERY WINNING STREAK!

Will Friday's LOTTO MAX draw bring the province's 4th millionaire in 3 weeks?

Three lottery tickets sold in Saskatchewan have won a prize of \$1 million or more in the past three weeks. And another five tickets have won prizes ranging from \$50,000 to \$500,000.

The winning began on May 16, when a ticket sold somewhere in Saskatchewan won the \$1 million LOTTO 6/49 guaranteed prize. Three days later, on May 19, a ticket sold in Regina won a \$2.5 million LOTTO 6/49 prize. And the third million-dollar win came on last Friday's LOTTO MAX draw – that ticket was sold somewhere in the province, excluding Saskatoon and Regina.

The other major prizes won in Saskatchewan in recent weeks were:

- June 2, LOTTO 6/49: \$250,844.80
- June 1, LOTTO MAX: \$500,000
- June 1, WESTERN MAX: \$100,000 (Saskatoon)
- May 26, LOTTO 6/49: \$100,000
- May 26, WESTERN 649: \$50,000

Will the winning continue this weekend? For the third week in a row, LOTTO MAX is reaching record heights. Friday's LOTTO MAX jackpot is \$60 million and an estimated 52 MAXMILLIONS draws for \$1 million each.

Players can buy their LOTTO MAX tickets until 8:30 pm on Friday evening. The winning numbers and prize breakdown will be posted to sasklotteries.ca as soon as they're available.
