

THE BIGGER SPIN Event Game Conditions

RULES AND REGULATIONS:

1. “THE BIGGER SPIN Event” (the “Final Event”) is governed by the Rules and Regulations Respecting Lotteries and Gaming (The “General Rules”) of WESTERN CANADA LOTTERY CORPORATION (WCLC) WHICH INCLUDE LIMITATIONS OF LIABILITY AND ARE AVAILABLE FROM WCLC UPON REQUEST and these Game Conditions.
2. These Game Conditions (hereinafter referred to as the “Rules”) apply to the Final Event (s) related to all \$10 “THE BIGGER \$PIN” Zing ticket game(s) that are conducted and managed by WCLC. Unless otherwise noted, these Rules operate as separate and distinct from any conditions contained on any “THE BIGGER \$PIN” Zing tickets.
3. Words used in these Rules which are used in the General Rules shall have the same meaning as those used in the General Rules. In the event of any conflict or inconsistency between these Rules and the General Rules, the General Rules shall govern.

ELIGIBILITY TO PARTICIPATE

4. In order to participate in the Final Event and/or be eligible to receive all or part of a Prize (as herein defined in Rule 12) (personally or as a member of a group), a player must:
 - (a) be the holder lawfully entitled to possession of a winning \$10 “THE BIGGER \$PIN” Zing ticket that qualifies such holder to participate in the Final Event pursuant to the play instructions for such ticket;
 - (b) prior to participating in the Final Event, have participated in good faith in any investigation conducted by WCLC and satisfied WCLC that they are the holder lawfully entitled to possession of the \$10 “THE BIGGER \$PIN” Zing ticket and are entitled, and will remain entitled, to any Prize;
 - (c) have initiated the prize claim prior to the expiry date for prize claims for the relevant \$10 “THE BIGGER \$PIN” Zing ticket referenced in Rule 4(a); and
 - (d) have otherwise complied with the General Rules in all other respects.

FINAL EVENT PARTICIPATION

5. A player may participate in the Final Event in one of three (3) ways, as outlined in Rules 6 to 8.
6. **Spin-** Subject to Rules 7 and 8 a player may elect to participate using the Spin method. When participating using this method:

- (a) a player will be provided three (3) chances to complete a single valid Spin. A valid Spin consists of at least three (3) full three-hundred and sixty degree (360°) rotations of The Bigger Spin Wheel (the “Wheel”) in a downward direction, as determined by WCLC. After the player has completed their first valid Spin, he/she will not be provided any more chances to Spin. Any Spin that is not a valid Spin is deemed to be void and shall not result in any entitlement to a Prize;
- (b) the start position of the Wheel for a Spin will be determined by an electronic draw. WCLC will conduct an electronic draw using its certified digital drawing equipment prior to the Spin Event. The draw parameters will be set to draw 3 numbers at random from among all numbers from 1 to 20 to determine the start position of the Wheel for each Spin in accordance with Rule 14. The first number drawn will signify the starting sector position of the Wheel for the first Spin attempt, the second number will signify the starting sector position of the Wheel for the second Spin attempt, where required, and the third number will signify the starting sector position of the third Spin attempt, where required. The Wheel has sector numbers clearly labeled from 1 to 20 so for example if the first number drawn is 4 then the starting position of the Wheel for the first Spin attempt would be sector 4 which is a value of \$500,000;
- (c) the Prize to which the player is entitled shall be determined by the final resting place of the Wheel at the end of the first valid Spin. The Wheel is deemed to have reached the final resting place when it comes to a complete stop and WCLC declares the Spin complete. If for any reason the Wheel moves after WCLC has declared the Spin complete, the position of the Wheel at the time WCLC declared the Spin to be complete shall be deemed as the final resting place of the Wheel; and
- (d) in the event a player does not complete a valid Spin after three (3) attempts, the Envelope Draw method shall be used to determine a player’s entitlement to a Prize.

7. **Envelope Draw** - Subject to Rule 8, if a player is unable to participate using the Spin method for reasons of disability or infirmity he/she may elect to have his/her final Prize determined by Envelope Draw, or a player may be required to proceed with the Envelope Draw method pursuant to Rule 6(d), or a Group may elect to proceed with an Envelope Draw in accordance with Rule 11. When participating using this method:

- (a) an Envelope Draw will be used to determine the player’s entitlement to a Prize;
- (b) the Envelope Draw will consist of WCLC placing each of the numbers from 1 to 20 representing the Prize denominations in accordance with Rule 14 in 20 separate unmarked envelopes. The player may request to see the numbers representing the Prize denominations in accordance with Rule 14 prior to WCLC placing them in the envelopes. Once the numbers are placed in the envelopes, WCLC will place envelopes in a draw box, randomly mix the envelopes and then the player shall select one envelope from the draw box; and
- (c) the number in the envelope selected by the player shall determine the player’s entitlement to a Prize in accordance with Rule 14. For example, if the number in the envelope selected by the player is 8, the player is entitled to a \$600,000 Prize.

8. **Default Win- If:**

- (a) a player or Group is unable or unwilling to designate a Proxy, within the time specified by WCLC for doing so;
- (b) a player is unable or unwilling to attend the Final Event at the location and time specified by WCLC;
- (c) a Group has elected to participate by means of a Default Win;
- (d) a Group fails to make an election under Rule 11 within the time specified by WCLC for doing so; and/or

A Proxy:

- (a) shall have no entitlement to any Prize resulting from the Final Event and may be required to execute a release indicating the same prior to participation in the Final Event;
- (b) will participate in a Spin or Envelope Draw in the place of the designator(s), and the result of such Spin or Envelope Draw shall be final and binding on the designator(s) of the Proxy;
