

## SPORT SELECT GENERAL GAME CONDITIONS AND PRIZE STRUCTURE STATEMENT

### 1. GENERAL

- a) SPORT SELECT is NOT associated with or authorized by any professional or amateur sports league or association, member teams, players or other affiliates in any way.
- b) SPORT SELECT is governed by: The Rules and Regulations Respecting Lotteries and Gaming of WESTERN CANADA LOTTERY CORPORATION (WCLC) WHICH INCLUDE LIMITATIONS OF LIABILITY AND ARE AVAILABLE FROM WCLC UPON REQUEST; these General Game Conditions and Prize Structure Statement; and in the case of PRO•LINE Events based on golf, the SPORT SELECT PRO•LINE Golf Game Conditions (the “Golf Conditions”) which are incorporated herein by reference.
- c) WCLC may amend these Game Conditions and Prize Structure Statement and the Golf Conditions at any time and in any manner.
- d) In these Game Conditions:

“**Active SPORT SELECT Event List**” is the SPORT SELECT Event List entered in WCLC's computer containing those Events available for wagering at the time of purchase. Only one such list is an Active SPORT SELECT Event List at any given time.

“**Event**” means a game, competition or match-up between two (2) or more teams or individuals, participating in (one, or a series of) sporting events (or other types of competitions) and which is an individually numbered competition offered by WCLC for wagering on an Active SPORT SELECT Event List;

“**Favorite**” means the party that is designated as favored to win an Event, as determined by WCLC, and indicated by the Spread. The Favorite can be the home or the visitor.

“**Obvious Errors**” include, but are not limited to, wagers offered or placed at odds that are materially different from those available in the general North American betting market for a given Event at the time the wager was placed, wagers offered or placed at odds which reflect an incorrect Spread, Line, total or other score situation, or wagers offered or placed at odds being clearly incorrect given the probability of the event occurring (or not occurring) at the time the wager was placed.

“**Over/Under Line**” and “**Line**” means the numerical line for an Over/Under Event as assigned by WCLC on an Active SPORT SELECT Event List.

“**Point Spread**” and “**Spread**” for a particular Point Spread Event means the minimum score difference by which a participant is expected to win or lose by. The Favorite to win an Event is always designated by a negative sign (-) in front of the Spread for the Event.

**“Total Score”** for a particular Over/Under Event means the total number which is derived from adding together the home team’s score and the visiting team’s score based on the final result of that Over/Under Event.

**“Underdog”** means the party that is designated as less likely than the Favorite to win an Event, as determined by WCLC. The Underdog can be the home or the visitor.

**“Wager type/ Market type”** means the specific type or category of wagering options.

**“Walkover”** means a forfeit by one party which results in a victory by the other party prior to the event having started.

## **2. ISSUANCE OF TICKETS**

- a) To obtain a ticket, a person must present a completed SPORT SELECT or Combo Play selection slip or QR Code for up to 8 Events selected from the Active SPORT SELECT Event List available at Lotto Spot Retailers and sportsselect.com and pay the authorized retailer the chosen wager of \$2 to \$100 before the actual commencement of the EARLIEST Event chosen from the Active SPORT SELECT Event List, whereupon a ticket will be issued showing the purchase date, particulars of selections, associated odds, potential payout (other than for Combo Play), amount wagered, control number(s) and other relevant information.
- b) A QR code generated for wagering purposes is not a ticket.
- c) WCLC, in its sole discretion, can change the odds, Line and/or Spread values for any Event at any time. The odds, Line and Spread printed on the player’s ticket at time of purchase will be official for that wager except where cancellations, past postings or other odds assignments pursuant to these Game Conditions apply.
- d) WCLC may, in its sole discretion, suspend sales (temporarily or permanently) on any Event or Wager type.
- e) In the event of any discrepancy, conflict or inconsistency between published Event information and odds, and the official Event information and odds recorded in WCLC’s computer, the latter shall prevail.
- f) Single Event wagering may be made available on select sports and Wager types at the discretion of WCLC, and if made available, eligible Events will be identified on the Active SPORT SELECT Event List.
- g) WCLC may, in its sole discretion, void any wager(s) accepted in Obvious Error and in such case an odds value of 1.00 shall be assigned to the selected outcome of the affected Event(s) on the affected ticket(s).
- h) WCLC, in its sole discretion, will cancel an Event entered in error, and in such case an odds value of 1.00 shall be assigned to each of the outcomes of the Event.

## **3. RESULTS**

- a) Results are the final results of the Events indicated on the Active SPORT SELECT Event List as determined by WCLC.

- b) Results are final when declared by WCLC and are not affected by any subsequent amendments, corrections, disqualifications or other events.
- c) In the event that WCLC is not able to determine the final results of an Event, such Event shall be considered cancelled and an odds value of 1.00 shall be assigned to each of the outcomes of that Event.
- d) If the Active SPORT SELECT Event List contains an Event(s) with an incorrect date of play or an incorrect designator (including without limitation incorrectly listing participants as visitor or home or listing an incorrect opponent), such Event(s) shall be assigned an odds value of 1.00 for each of the outcomes. For greater certainty, if the name of a player or team has been spelled incorrectly, wagers placed will stand.
- e) If a ticket contains a selection(s) of an Events(s) that has actually commenced or been completed, or for which the outcome was otherwise already known, prior to the issuance of such ticket, such Event(s) shall be 'past posted' and shall have an odds value of 1.00 assigned to each of the outcomes of that Event(s) on that ticket.
- f) If all selections on a ticket are assigned an odds value of 1.00 for each of the outcomes, the ticket holder(s) shall be entitled to a refund of the amount wagered.
- g) Unless otherwise stated for specific Wager types within these Game Conditions, an event must have started for it to be resulted with winning and losing outcomes. Walkovers or other conditions where a winner is determined by the governing body as a result of withdrawal from the opposing competitor(s) prior to commencement, or where the event does not take place as a result of a withdrawal, will result in all Events based upon that event being cancelled and shall have an odds value of 1.00 assigned to each of the outcomes of those Events.
- h) When there is a forfeit (or other forms of teams or players withdrawing) after an event has started where a winning outcome is declared by the league which governs the event, and the situation is not specifically covered within these Game Conditions, all associated Events based upon such event will be cancelled and such Events shall have an odds value of 1.00 assigned to each of the outcomes.
- i) The first game played of any doubleheader will always be the SPORT SELECT Event, unless it is the continuation of a suspended game, in which case the second game - the regularly scheduled game - is the SPORT SELECT Event. For the purposes hereof, in baseball, a doubleheader consists of two games, whether such games are regularly scheduled, unscheduled, rescheduled or any combination thereof, played by the same two teams in the same ballpark, each of which game is scheduled to commence on the same day.
- j) In the event of any discrepancy, conflict or inconsistency between published Event final results, and the official Event final results recorded in WCLC's computer, the latter shall prevail.

If, at the end of a particular day, the aggregate amount of prizes that could be won, but for this provision, would exceed Five Million (\$5,000,000.00) Dollars, then the aggregate amount of prizes payable on all winning tickets purchased for SPORT SELECT for that day shall automatically be reduced, and the amount payable as a prize in respect of each such winning ticket for that day shall be equal to:
  - (i) the amount wagered by such ticket, plus
  - (ii) the amount that would have been payable as a prize before any reduction less the amount of the wager multiplied by a fraction, having as its numerator Five Million (\$5,000,000.00) Dollars, less the aggregate of all amounts wagered on SPORT SELECT for that day and, as its denominator, the aggregate amount of prizes that would have been payable on all winning SPORT SELECT tickets purchased for that day before any reduction, less the aggregate of all amounts wagered, i.e.:

$$\begin{array}{l}
